"No," his wife said in her soft, level voice, "we aren't." "A sending - only a seeming of him. It could not hurt you, Irian." The true name of a person is a word in the True Speech. An essential element of the talent of the witch, sorcerer, or wizard is the power to know the true name of a child and give the child that name. The knowledge can be evoked and the gift received only under

certain conditions, at the right time (usually early adolescence) and in the right place (a spring, pool, or running stream).. "Put it away," she said, with another laugh, and a flurried motion of her hands. "If you can cure the cattle, the cattlemen will pay you, and you can pay me then. Call that surety, if you like. But put it away, sir! It makes me dizzy to look at it. -Berry," she said, as a nobbly, dried-up man came in the door with a gust of cold wind, "the gentleman will stay with us while he's curing the cattle-speed the work! He's given us surety of payment. So you'll sleep in the chimney corner, and him in the room. This is my brother Berry, sir.".you drunken, crawling traitor! You foul, shameless lecher!".like a horse rearing and then rolled so hard and far that the mast broke loose from its footing..marshlands, a village not far away. He had thought he was on the way to the village, but had taken.Growing old, Elehal wearied of the passions and questions of the school and was drawn more and more to the trees, where she went alone, as far as the mind can go. Medra walked there too, but not so far as she, for he was lame..vanished in a silent blackness that rose slowly higher. The master looked at that. "Witchwind, you."She came to this place at this time," the Namer said. "And to this place, at this time, no one.He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking.So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was."Enough of that, my dear," Dulse said, laying his hand on it. "Come now. No wonder I kept thinking about Silence. I should send for him ... send to him ... No. What did Ard say? Find the center, find the center. That's the question to ask. That's what to do..." As he muttered on to himself, routing out his heavy cloak, setting water to boil on the small fire he had lighted earlier, he wondered if he had always talked to himself, if he had talked all the time when Silence lived with him. No, it had become a habit after Silence left, he thought, with the bit of his mind that went on thinking the ordinary thoughts of life, while the rest of it made preparations for terror and destruction..and over terrified, gasping for breath, and never able to think coherently. It was utterly dark..their listening silence, and rested there for days, and came back to him changed..in Gont Port, and Dulse had sent Silence down instead, and there he had stayed..at the girl, Dory. She did not return his gaze, watching her mother with stolid, sullen grief..He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind.. "Your fear. Did you think I would attack you, or what? But that's ridiculous!".Sunbright, come up to deal with the murrain. He's cured beasts for me before, the hoof rot and not so abruptly as the Namer, in the light and shadow under the trees. Irian watched till he was.along with him. He said, smiling and confidential, "I am one who shits moonlight. You will not.Something moved on one of the tracks, something big, dark, in the darkness..When she finished in the dairy and went to the house, the new fellow, Hawk, was squatting on the hearth, skillfully making up the fire. The curer was in his room asleep. She looked in, and closed the door..out of the room..Nobody fools with me. We make a pretty good living. Winters, I go stay with Mother and help her."Are there still marriages?".aggrandize himself..What do I want? she asked herself, and the answer came not in words but throughout her whole body and soul: the fire, a greater fire than that, the flight, the flight burning -.Now, as otter, he was thinking only that he would like to stay otter, be otter, in the sweet brown water, the living river, forever. There is no death for an otter, only life to the end. But in the sleek creature was the mortal mind; and where the stream passes the hill west of Samory, the otter came up on the muddy bank, and then the man crouched there, shivering.. "From a distance, you seemed so. . ." She was unable to find the word..mine, shadowy yet distinct: the slave in the high vault of the tower, that woman with empty.face at which the miners worked. Old timbers creaked, dirt sifted down. Though the air ran cool.The Other Wind (to be published soon). A dragon bridge..glory was there in the palaces of the city when nobody lived in them but crawling slaves? He could."I used him to help me get here and to tell me what to say to the Doorkeeper," Irian said. "I'm not here to fool anybody, but to learn what I need to know.". "I'm Gift," she said, a bit flustered, but liking the fellow. "All right, then, Master Hawk. Put.Deeds, lays, songs, and popular ballads are still composed as oral performances, mostly by professional singers. New works of any general interest are soon written down as broadsheets or put in compilations.. "Everything's perilous," Dragonfly said, gazing now through the sheep, the hill, the trees, into still depths, a colorless, vast emptiness like the clear sky before sunrise..Listen, what is this Cavut?".safest? But while he was thinking about it, Losen's men, used to wizard's tricks, drugged his food."He cannot harm me anywhere," she said, the fire running through her veins again. "If he tries to,.meadows until he had touched every living beast of the great herds there. Alder had sent two.far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock.He stood silent in the doorway. She sat on the stone floor near the crucible, her thin body."Crafty men need to stick together," he said. "Men who have no art at all, nothing but wealth-they.but had not understood that he loved her beyond anyone and anything. When he was with her, even.below them. I think you have another.".potions used in aid of lust, jealousy, and malice. And a child's gift for magic became a thing to.From Sesesry on the east coast of Ark where he left his passengers, having danced the Long Dance."Once I was on the high slopes," Mead said, "and a spring snowstorm came on me, and I lost my way. She came there. She came to me, not in the body, and guided me to the track. She was only twelve then.".wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House..The early kings and queens of Enlad, among whose names are Lar Ashal, Dohun, Enashen, Timan, and.the limited habitable land available to them. Famine is unknown and poverty seldom acute..They worked and taught in the Great House. They saw it go up

stone on stone, every stone steeped in spells of protection, endurance, peace. They saw the Rule of Roke established, though never so firmly as they might wish, and always against opposition; for mages came from other islands and rose up from among the students of the school, women and men of power, knowledge, and pride, sworn by the Rule to work together and for the good of all, but each seeing a different way to do it..He looked at her, that vivid, fierce, dark face in its rough cloud of hair. She wore only her shift, and he saw the infinitely delicate, tender rise of her breasts. He drew her to him again, but though she hugged him she drew away again, frowning..spells over land and sea that compelled men to her evil will, until the first Archmage came to."And perhaps because such arts have not the power they once had," he said. He did not know himself why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her wholeness, was a gain for him. He had begun merely by trying to get her into his bed, a game he loved to play. The game had turned to a kind of contest he had not expected but could not put an end to. He was determined now not to win her, but to defeat her. He could not let her defeat him. He must prove to her and himself that his dreams were meaningless..her bright eyes on Tern, and he nodded.
