Then Losen cursed and cried, and his slaves brought him wine, and the mage went out, bowing, and circulating fires; beneath the window, at my approach, a chair emerged from nothing, slid under. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. They were not men. All day he stayed near the Otter's House, keeping watch on Irian, making her eat a little with him. She came to the house, but when they had eaten she went back to her place on the streambank and sat there motionless. And he too felt a lethargy in his own body and mind, a stupidity, which he fought against but could not shake off. He thought of the Summoner's eyes, and then it was that he felt cold, cold through, though he was sitting in the full heat of the summer's day. We are ruled by the dead, he thought. The thought would not leave him. him home. A wise man, said Otter's mother Rose, surely a wise man. The younger students are frightened, and several have asked me or the Doorkeeper if they may go. And we'd let them go. He took her hand and kissed it as they sat side by side. Ivory went, limping only very slightly, to an old mounting-block nearby and sat down on it. He stretched his leg, nursing the torn place, and looked up at the woman. "It would take a long time to tell you what Roke is like," he said. "But it would be my pleasure." "Later? It varies.
