His first endorsement proved to have been beginner's lock. Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at his liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of his heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-planet, without sexual reproduction..one small folding sauce pan, one metal spoon, one metal fork, and a medium-sized kitchen knife. All of it together would barely fill a shoebox..134. Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working only in highly specialized ways, cannot divide into a whole organism if left to themselves. Many body cells, such as those of the muscles or nerves, have become so specialized they can't divide at all. Only the sex cells, eggs and sperm, retain the lack of genetic specialization required to produce a new organism under the proper circumstances..and sat down, unbelievably, by him!"
