".thought it was the beginning of a great forest like Faliern on Havnor, and then did not know why.To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. Anieb's understanding was that lamp. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..When Veil came up from town to bring them the last of the late peaches, they laughed; peaches were the very emblem of their happiness. They tried to make her stay and eat supper with them, but she wouldn't. "Stay here while you can," she said..would, swum as the otter would swim. So.. "We couldn't hide the wrestle we'd had with him, though we said as little about it as we could..This language is innate to dragons, not to humans, as said above. There are exceptions. A few human beings with a powerful gift of magic, or through the ancient kinship of humans and dragons, know some words of the Old Speech innately. But the very great majority of people must learn the Old Speech. Hardic practitioners of the art magic learn it from their teachers. Sorcerers and witches learn a few words of it; wizards learn many, and some come to speak it almost as fluently as the dragons do..variations. The Raft People of the far South West Reach retain the great annual celebrations, but after the men were gone did some neighbors creep out to comfort Otter's people as best they could..As far as the mind goes..Three of them came
