They were waiting, and she had to blush and smile slowly at them..s Jain died..My curiosity reared up again. The gossip columnists speculated a great deal about how Amanda and Selene managed their dual existence, but because neither personality gave interviews on the subject, it had to remain only speculation. The custody decision, however, was public knowledge. January to June had gone to Margot Randall, July to December to the Senator. It sounded like the alters might still divide then* year that way. But rather than distress Amanda further by asking about it, I bit my tongue and hurried out to get the lease from my secretary.."It would be all right for a while," she recalled.
